

READPAD

**The New World of Blogging
Welcome!**

**You Can Use Our Platform on All
Devices.**

Our Features

Special for BTU Students

It is a blog sharing and interaction platform specific to Bursa Technical University.

Free Use

The ReadPad platform is a completely free platform that you can use as much as you want.

Registration in the Cloud System

Your blogs and information are registered in the cloud system and we prevent the loss of your information and blogs.

Security

Since your information is securely stored in our system, you will not need to be suspicious about the security of your information. You can share as much as you want.

Why Us?

You Can Read the Blog As You Wish

You can read all the blogs shared by Bursa Technical University students as much as you want.

You Can Share Your Blogs

If you want, you can edit your blogs, make them ready for sharing and share them on the platform.

The Power of Interaction

You can improve yourself according to the comments from your shared blogs or you can comment on your friends who share other blogs.
